**New information address for Foreign Guests**

Reiseland Brandenburg can now be contacted directly in English at [www.reiseland-brandenburg.de](http://www.reiseland-brandenburg.de). The multiple award-winning internet portal of TMB Tourism Marketing Brandenburg Company with its approximately 6000 visitors daily will through its English version increasingly inform foreign visitors and inspire them to travel to Brandenburg.

Therefore special offers and services are waiting for the English speaking guest to familiarize him with the region. Under the motto „Berlin's Beautiful Backdrop“ the user can obtain interesting facts about Brandenburg with its 3000 lakes and cultural attractions. The homepage creates the correct multi-medial setting for the user through a film on Brandenburg and 360° panoramas regarding the state, special maps also provide an overview of the most important sights. Additionally, a new map with eight half-day tours across the State is included. These cover short half-day visits to Potsdam to four-day trips through the March of Brandenburg and assist during planning and booking overnight stays. The English language calendar of events which highlights the main regional events also provides definite help. Furthermore, groups and business travellers have the possibility to obtain offers and make reservations by using the corresponding blank forms. Lastly, the site also contains such information like Brandenburg from A-Z, weather reports, travel and car rental information, and order forms for brochures.
